

### Features:

- 1-hole pushbutton enclosure
- Reinforced housing design
- Knockout holes on the top and sides
- Stainless steel anti-loosening screws

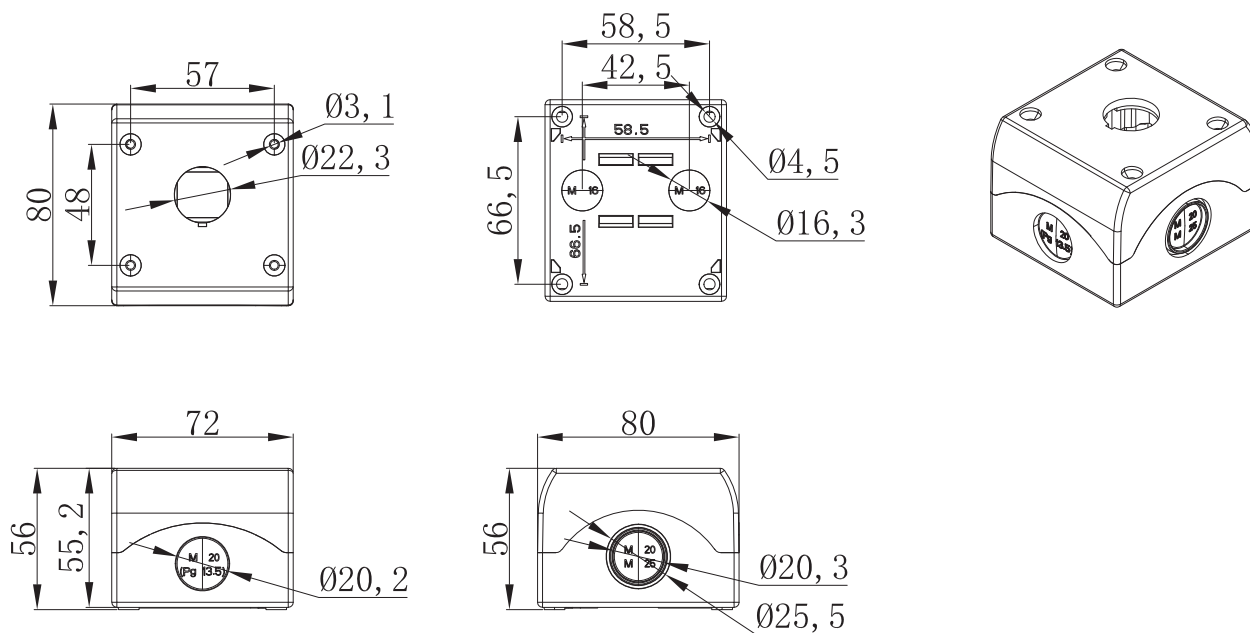

### SPECIFICATION

|                        |                  |
|------------------------|------------------|
| Model                  | LKPB22-1         |
| Dimensions             | 80*72*56mm       |
| Material               | PC + Glass Fiber |
| Cover Color            | Black / White    |
| Mounting Hole Diameter | Φ22 mm           |
| Weight                 | 133g             |

### DIMENSION (mm)

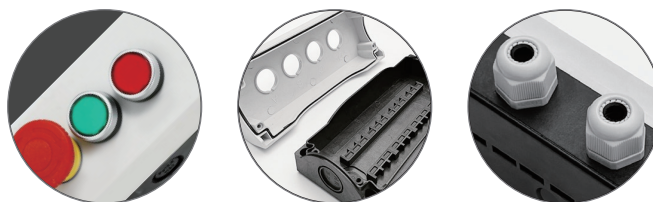

## Features:

- 2-hole pushbutton enclosure
- Reinforced housing design
- Knockout holes on the top and sides
- Stainless steel anti-loosening screws

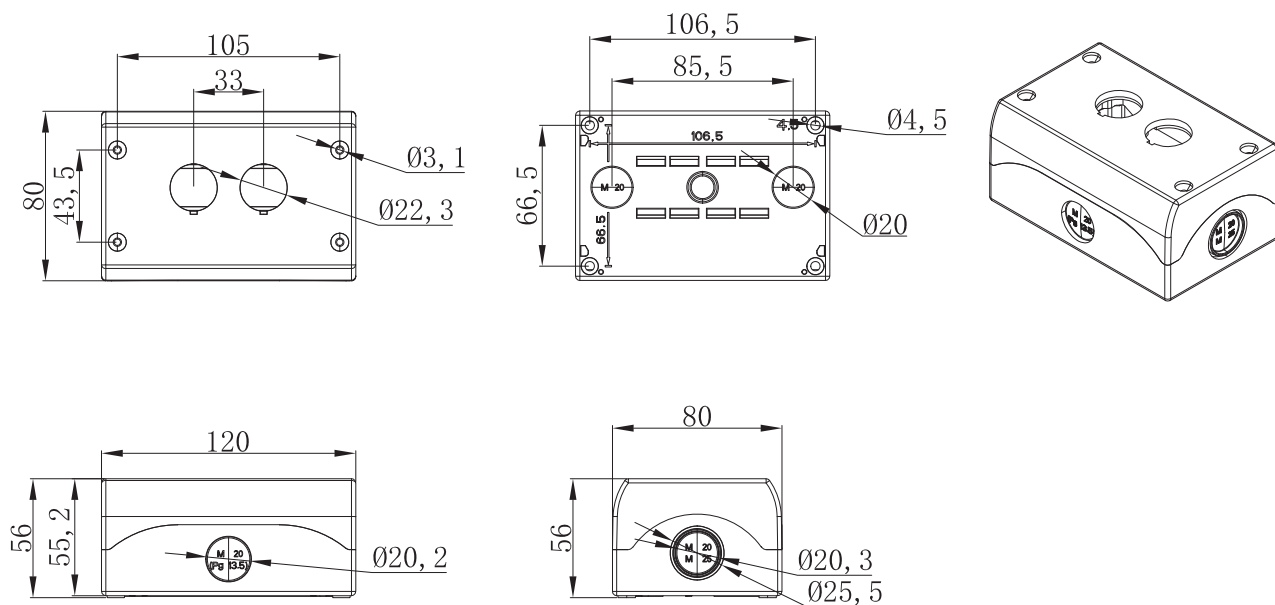

## SPECIFICATION

|                        |                  |
|------------------------|------------------|
| Model                  | LKPB22-2         |
| Dimensions             | 80*120*56mm      |
| Material               | PC + Glass Fiber |
| Cover Color            | Black / White    |
| Mounting Hole Diameter | Φ22 mm           |
| Weight                 | 191g             |

## DIMENSION (mm)

### Features:

- 3-hole pushbutton enclosure
- Reinforced housing design
- Knockout holes on the top and sides
- Stainless steel anti-loosening screws

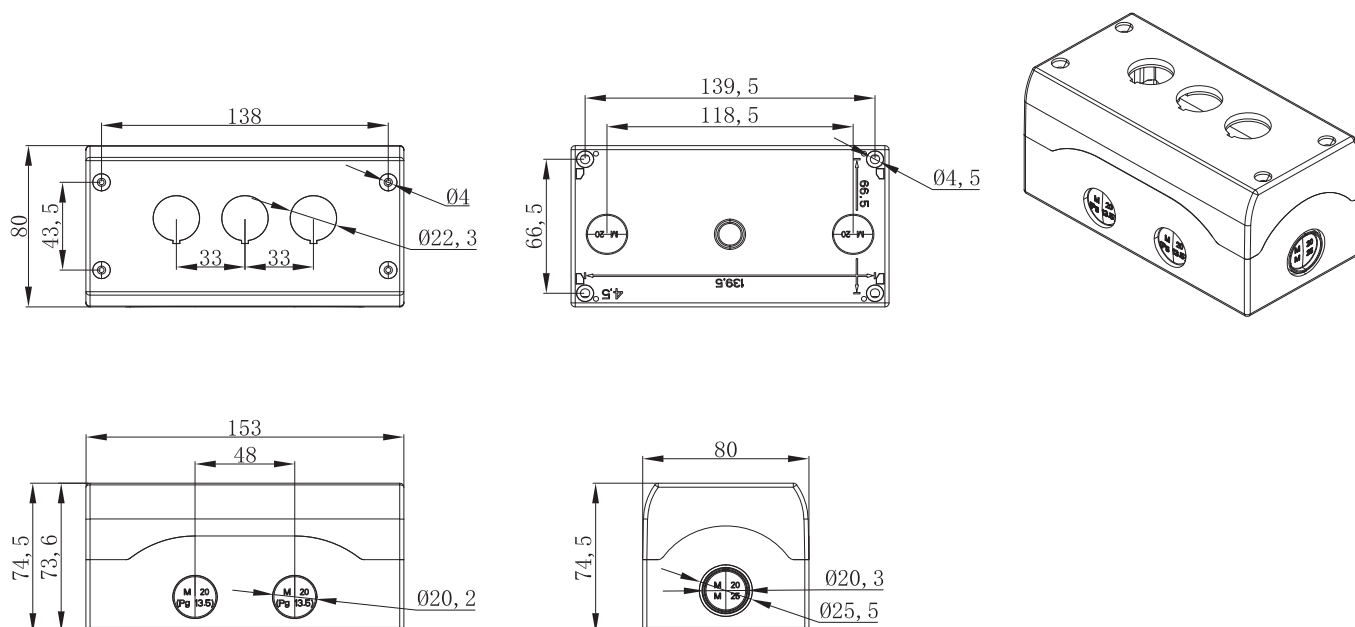

### SPECIFICATION

|                        |                  |
|------------------------|------------------|
| Model                  | LKPB22-3         |
| Dimensions             | 80*153*56mm      |
| Material               | PC + Glass Fiber |
| Cover Color            | Black / White    |
| Mounting Hole Diameter | Φ22 mm           |
| Weight                 | 242g             |

### DIMENSION (mm)

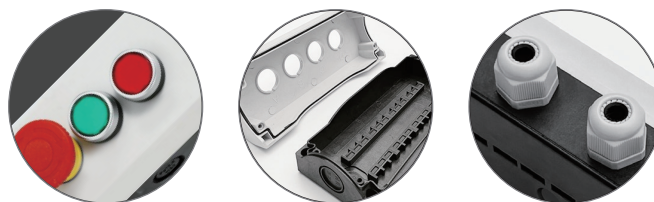

## Features:

- 4-hole pushbutton enclosure
- Reinforced housing design
- Knockout holes on the top and sides
- Stainless steel anti-loosening screws

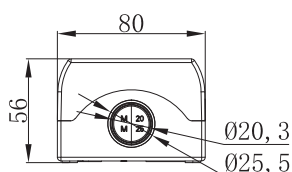

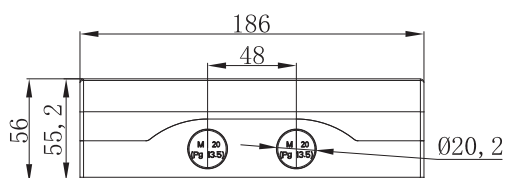

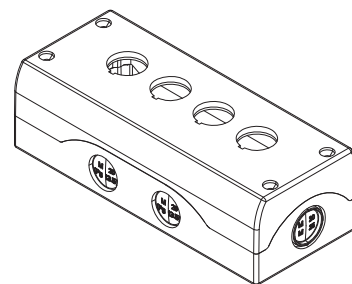

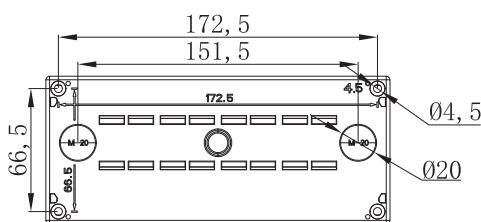

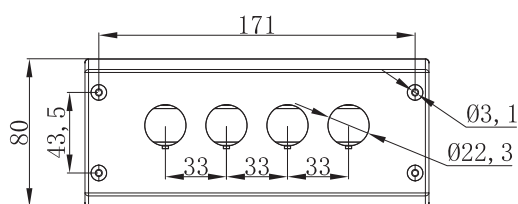

## SPECIFICATION

|                        |                  |
|------------------------|------------------|
| Model                  | LKPB22-4         |
| Dimensions             | 80*186*56mm      |
| Material               | PC + Glass Fiber |
| Cover Color            | Black/ White     |
| Mounting Hole Diameter | Φ22 mm           |
| Weight                 | 266g             |

**DIMENSION (mm)**

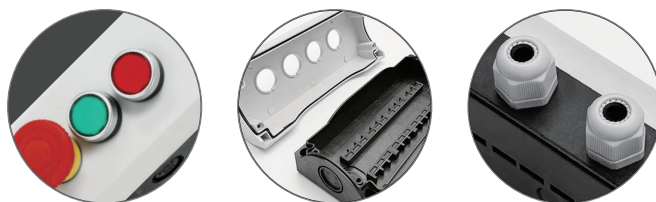

### Features:

- 5-hole pushbutton enclosure
- Reinforced housing design
- Knockout holes on the top and sides
- Stainless steel anti-loosening screws

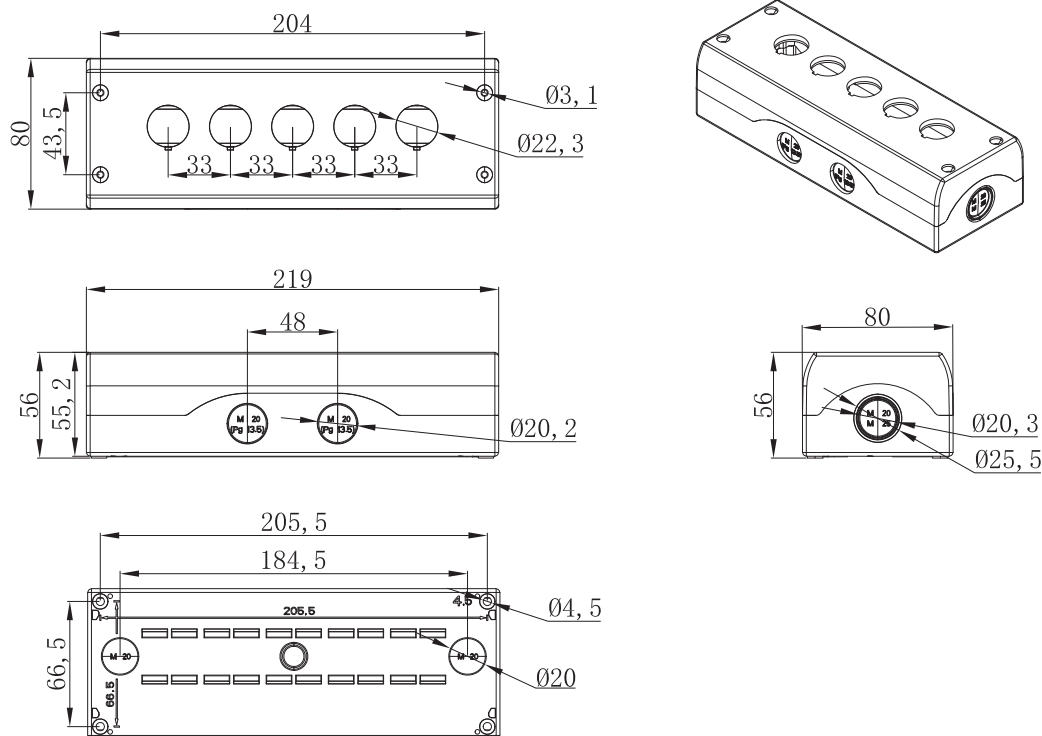

### SPECIFICATION

|                        |                  |
