

GATES & FENCES
MADE IN FOSHAN

COMPANY OVERVIEW

Foshan Puertana Building Materials Co., Ltd. is a professional manufacturer and supplier focusing on aluminum-based building products, integrating R&D, production and global sales of high-quality building accessories. With mature industry experience, complete production systems and strict quality control, we provide reliable, durable and cost-effective products for global commercial and residential projects.

We focus on energy-saving, eco-friendly and cost-effective products, optimizing performance via continuous R&D. Adhering to strict quality principles, we reduce product failure risks and customer maintenance costs, maximizing client value without quality compromise. Our products serve North America, South America, Australia and other overseas markets, earning high recognition. We welcome global partners for sincere and long-term cooperation.
