COMPANY PROFILE

ABOUT US

Yinhuan International Company is a professional manufacturer with years of experience in clothing production, providing one-stop services from design to production. Our factory has over a hundred novel designs, covering both traditional and modern styles. We also have experienced designers who support custom orders based on provided designs, as well as the option to choose from various patterns and fabric types, striving to meet the diverse needs of different customers. Leveraging the advantage of factory direct supply, we offer more favorable prices than the market while ensuring exquisite craftsmanship and strict quality inspection processes to guarantee the delivery of products of perfect quality. We have an efficient and powerful logistics and transportation system, supporting DHL/UPS/Fedex/international express services. For large shipments, we are backed by well-qualified logistics and freight forwarding companies. Standard orders are delivered within 15-20 days, and samples can be delivered as fast as 7-10 days. Our services include sample sending, LOGO embroidery, OEM and ODM, with a minimum order quantity of only 50 pieces. Yinhuan International Company has an integrated service team and has been deeply involved in the clothing manufacturing industry for many years. We look forward to inquiries and cooperation from wholesalers, brand owners, retailers, agents, and online bloggers.
