

Professional Valve Selection Consultation Request Form

Shanghai Xiazhao Valve | Global Engineering Support

Please fill out this form to receive a customized technical proposal and selection datasheet from our engineering team. Our experts will respond within 24 hours.

1. Contact Information

Full Name:	
Company Name:	
Email Address:	
Project Name:	

2. Technical Requirements

Design Standard:	☐ API 526 ☐ ASME VIII ☐ TSG 92-2026 ☐ Other: _____
Media / Fluid:	☐ Steam ☐ Gas/Air ☐ Liquid ☐ Cryogenic (LNG/LPG)
Operating Press:	Unit: ☐ MPa ☐ bar ☐ psi
Set Pressure:	Unit: ☐ MPa ☐ bar ☐ psi
Temperature:	Unit: ☐ °C ☐ °F
Required Flow:	Unit: kg/h, m³/h, etc.

3. Valve Specification Preferences

Type:	☐ Full Lift ☐ Low Lift ☐ Pilot Operated
Connection:	☐ Flanged (ANSI/DIN/GB) ☐ Threaded ☐ Welded
Material:	☐ Carbon Steel ☐ Stainless Steel (304/316) ☐ Special Alloy
Accessories:	☐ Test Lever ☐ Bellows ☐ Soft Seat ☐ Cooling Fins

4. Documentation & Services Required

- ☐ Official Selection Datasheet (Sizing Calculation)
- ☐ TS (China Special Equipment) Compliance Documentation
- ☐ API / CE Type Test Reports
- ☐ On-site Calibration / Maintenance Services

Please return this form to: sales@xiazhao-valve.com Our engineers will analyze your requirements and provide a professional recommendation and quote.
