11. Hardware, Materials & Functional Accessories

No.	Item Name	Picture	Discription
SDS-ASS-01	Solid Cast Clear Acrylic Briefcase & Handbag Replacement Handle		Ergonomic curved clear lucite handle with brass mounting hardware for designer purses, briefcases, and luggage. [Size]: 180 x 120 x 20 mm [Specials]: Polished optical clarity; Includes brass end brackets
SDS-ASS-02	Reinforced Clear Acrylic Folding Hinge with Metal Pin		Precision injection-molded clear acrylic folding hinge with internal stainless steel pin. Shatter-resistant and high load-bearing for display cases and cabinet doors. [Size]: 25x34 mm / 32x38 mm / 45x38 mm / 75x42 mm [Specials]: High-hardness PC/PMMA; Solvent bondable or screw mountable; Corrosion-proof
SDS-ASS-03	Continuous Flexible Acrylic Piano Hinge (Long Strip)		Extruded clear flexible polymer continuous piano hinge. Allows cut-to-length customization with superior bending fatigue resistance for heavy lids and covers. [Size]: Width: 25 / 30 / 40 mm; Length: 300 mm / 1000 mm [Specials]: Transparent polymer; Solvent glue bonding; No drilling required
SDS-ASS-04	Optical Grade Acrylic/PC LED Globe Bulb Diffuser Shade		Injection-molded frosted/opal light-diffusing acrylic globe shade with E27/E14 threaded base. Uniform light transmission without glare or hot spots. [Size]: Dia: 50 / 60 / 80 / 100 / 120 mm [Specials]: Opal light diffusion PMMA/PC; High temperature and UV resistant
SDS-ASS-05	Outdoor Waterproof G40/G50 Vintage LED Acrylic Bulb Shell		Shatterproof clear acrylic vintage globe shell for outdoor festoon string lights. Weatherproof and impact-resistant replacement shade. [Size]: Dia: 40 mm (G40) / 50 mm (G50) [Specials]: Shatterproof PMMA shell; IP65 waterproof outdoor rated
SDS-ASS-06	Clear Acrylic Flanged Hemisphere Dome Display Cover		Optical clear vacuum-formed acrylic hemisphere with perimeter mounting flange. Serves as security camera cover, exhibition showcase, or pet bubble window. [Size]: Dia: 100 / 150 / 200 / 300 / 400 / 500 mm [Specials]: Integrated 15-20mm mounting flange with pre-drilled holes; UV-stable
SDS-ASS-07	Seamless Hollow Acrylic Sphere Ball (Two Half-Shells)		Interlocking clear acrylic hollow sphere halves with hanging loop. Widely used for mall atrium decorative installations and product showcases. [Size]: Dia: 150 / 200 / 300 / 400 / 600 mm [Specials]: Snap-together interlocking seam; Top suspension eyelet optional

SDS-ASS-08	**Festive Red Acrylic Chinese Knot Hanging Lantern**		Precision laser-cut translucent ruby red acrylic Chinese knot assembly with gold mirror tassel accents. Flat-pack slot-together construction. [Size]: 300 x 300 x 450 mm / 400 x 400 x 600 mm [Specials]: Translucent red cast acrylic; Slot-in interlocking assembly
SDS-ASS-09	**Outdoor Weatherproof Illuminated Acrylic Palace Lantern**		Traditional octagonal palace lantern crafted from high-impact red and gold acrylic panels with built-in LED lighting compatibility. [Size]: Dia: 250 / 350 / 450 mm, Total H: 500 mm [Specials]: Outdoor weatherproof construction; E27 waterproof lamp socket fitted
SDS-ASS-10	**Heavy-Duty Clear Acrylic Ball Bearing Turntable (Lazy Susan)**		Smooth 360-degree rotating turntable platform engineered with stainless steel ball bearings encased in clear acrylic rings. High weight capacity. [Size]: Dia: 2 / 3 / 4 / 5 / 8 / 10 / 12 inch (50-300 mm) [Specials]: Load capacity 15-50 kg; Silent steel ball bearing raceway
SDS-ASS-11	**Ultra-Thin Acrylic Rotating Display Base with Anti-Slip Pads**		Low-profile 10mm thickness rotating display disc with dual-sided silicone bumper pads. Ideal for retail showcase displays and countertop spices. [Size]: Dia: 100 / 150 / 200 / 250 mm, Thickness: 10 mm [Specials]: Low profile quiet glide; Transparent body blends into displays
SDS-ASS-12	**Optical Clear Extruded Acrylic Solid Round Rod**		High clarity cast/extruded solid acrylic round rod with diamond polished surface. Suitable for architectural models, display risers, and light guides. [Size]: Dia: 3 / 5 / 8 / 10 / 15 / 20 / 30 / 50 mm, L: 1000 mm [Specials]: 93% light transmittance; Pre-tapped threaded ends available
SDS-ASS-13	**Decorative Air-Bubble & Spiral Clear Acrylic Solid Rod**		Artistic solid PMMA rod infused with uniform internal micro air bubbles. Produces stunning sparkling illumination when lit with LED end-caps. [Size]: Dia: 12 / 18 / 25 / 35 / 50 mm, L: 1000 mm [Specials]: Suspended bubble effect; Ideal for balustrades and lighting fixtures
SDS-ASS-14	**Seamless Transparent Acrylic Cylindrical Hollow Pipe/Tube**		Extruded optical-grade hollow PMMA pipe with high pressure resistance. Used in laboratory liquid level tubes, display columns, and lighting diffusers. [Size]: Outer Dia: 10 to 300 mm, Wall Thickness: 2 to 10 mm [Specials]: Custom cutting to length; Polished ends; Food and chemical safe
SDS-ASS-15	**Square & Profiled Extruded Clear Acrylic Hollow Pipe**		Four-sided square extruded clear acrylic hollow tube providing sharp modern architectural profiles for display frameworks and protective sleeves. [Size]: 20x20 mm / 30x30 mm / 50x50 mm / 80x80 mm [Specials]: Extruded square profile; Tight dimensional tolerances

SDS-ASS-16	**Precision CNC Routing & Diamond Beveled Custom Acrylic Parts**		OEM bespoke precision machined acrylic components manufactured via 5-axis CNC routing, laser etching, and automated diamond edge polishing. [Size]: Custom per CAD/DXF drawings (T: 1-50 mm) [Specials]: Tolerance +/-0.1 mm; Polished/frosted/beveled finishes
SDS-ASS-17	**Seamless Heat-Bent Curved Acrylic Structural Components**		Thermally heat-bent U-shaped and L-shaped clear acrylic bracket profiles and contoured curved panels for equipment guards and architectural baffles. [Size]: Custom angles and radiuses; Thickness: 2-20 mm [Specials]: Stress-relieved annealing; Optical distortion-free bends
SDS-ASS-18	**Clear Acrylic Triangular Corner Joint Reinforcement Bracket**		Solid transparent acrylic triangular prism corner block for invisible 90-degree solvent welded joints in display boxes and vitrines. [Size]: 15x15 mm / 20x20 mm / 25x25 mm [Specials]: Precision 90-degree right angle; Solvent bonding with chloroform
SDS-ASS-19	**Pre-Drilled Countersunk L-Shape Clear Acrylic Corner Bracket**		Right-angle molded clear L-bracket fitted with countersunk screw holes for glue-free modular assembly and knockdown display cases. [Size]: 20 x 20 x 15 mm (For M3/M4 screws) [Specials]: Countersunk screw holes; Removable knock-down joint system
SDS-ASS-20	**Stainless Steel Standoff Screws for Wall-Mounted Acrylic Signs**		Brushed architectural 304 stainless steel hollow standoff spacers with screw-on caps and silicone protective washers for acrylic wall plaques. [Size]: Dia: 12 / 16 / 19 / 25 mm, Wall Standoff: 20 / 25 / 30 / 50 mm [Specials]: Solid 304 stainless steel; Clear silicone washers prevent cracking
SDS-ASS-21	**Clear Solid Acrylic Conical Photo Frame Tabletop Standoff Pegs**		Solid transparent acrylic tapered support screw legs designed to hold tabletop floating magnetic acrylic frames at an optimal viewing angle. [Size]: Length: 50 mm / 65 mm / 80 mm, M4 Thread [Specials]: Diamond polished clear lucite; Non-scratch rubber tip
