

□ HQ3272

Advantages

- Suitable for various water treatment conditions
- Easy installation and operation

Design Features

- Designed for various imported multistage pumps
- Compact design with short dimensions

Application Range

- **Media:** Oil, water, sewage, and other general corrosive media containing certain particles
- **Pressure:** ≤1.6 MPa
- **Temperature:** -20°C to 160°C
- **Linear speed:** ≤20 m/s

Dimensional Data

Model	d	D	D1	D2	D3	L	L1	L2	Mn
HQ3272-12	12	28.4	40.6	26	24.9	57	7	4	28*1.5
HQ3272-16	16	32.5	46.1	29	29	57	7	4	33*1.5
