车型介绍 Vehicle model introduction

The Milandy model is positioned as fashionable and minimalist. As one of the most eye-catching cities in Europe, Milan's fashion gene has already penetrated into the city's veins since the 19th century. The design revolves around the "Angel's Wing" ceiling light as its core, symbolizing openness and inclusiveness, with every square inch emanating a fashionable aura beyond the classics, inspiring the romantic tenderness of countless people.

配色推荐 Color scheme recommendation

MBC integrates modern and Chinese color elements, and selects 3 premium color schemes for the interior customization of the Milan Di model, making the interior color choices richer and more vibrant, and allowing you to enjoy professional interior customization services.
