The image shows the exterior of a modern building with a glass facade. The 'Novié Style' logo is mounted on the glass in large, three-dimensional, metallic letters. The word 'Novié' is in a stylized, cursive font, while 'Style' is in a clean, sans-serif font. The building's glass panels reflect the sky and clouds, and the overall scene is brightly lit, suggesting a sunny day.

We abandon complicated decorations and use simple, neat tailoring to outline the figure. The classic rounded neckline and appropriately designed sleeve length not only fit the layered wearing style with shirts in business occasions, but also can be worn alone for scenarios such as daily commuting and casual business meetings.
