Weight	3.8kg

Size	W600mm*L1200mm
Type	Extra Larg Size
Weight	4.6kg

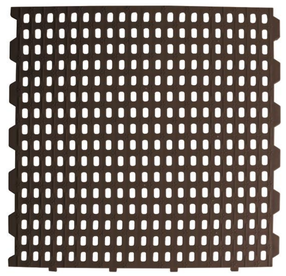

Plastic Slatted Floor For Sow

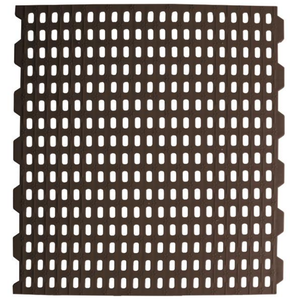

Size	W300mm*L600mm
Type	Full Leahing
Weight	1.78kg

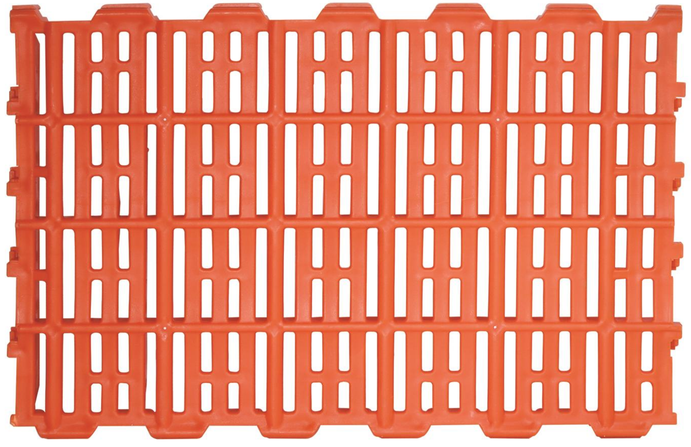

Size	W300mm*L600mm
Type	No Leakage
Weight	1.73kg

Size	W600mm*L600mm
Type	Full Leahing
Weight	3.4kg

Size	W600mm*L700mm
Type	Full Leahing
Weight	3.7kg

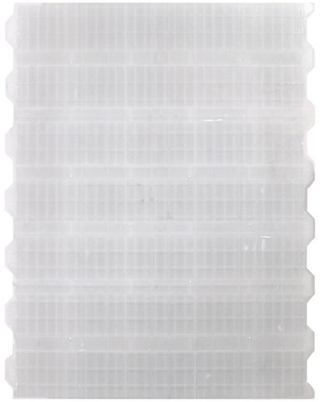

Size
W400mm*L600mm
Type
Extra Thicken Sow Slat Floor
Weight
2.75kg

Plastic Slat Floor:

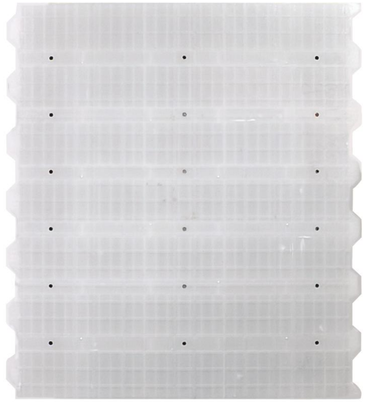

The WQXM Slat Flooring is a durable, long-lasting solution for nursery pigs and farrowing barns, made from virgin quality material via high-tech injection molding. It offers exceptional strength, resilience, and thermal conductivity, ensuring a warm, comfortable environment. Available in various grid sizes, it adapts to different barn layouts and is easy to clean and sanitize, reducing disease risks. Sturdy beam supports and optional legs ensure stability, while its interlocking design provides a safe, hygienic, and efficient flooring solution that promotes pig health and growth, making it ideal for both new builds and barn renovations.
