FT- 808

Installation instructions

Over-head Grooming Arm Set Installation As Below:

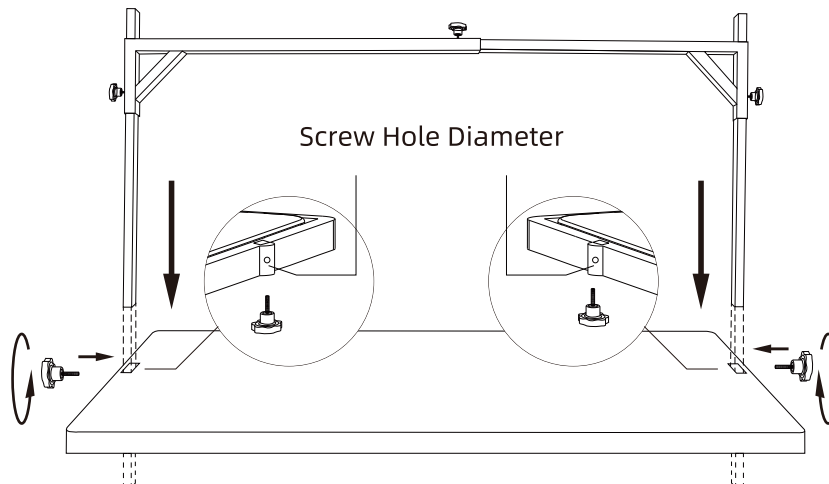

- ① Loosen the screws counterclockwise. According to the width of the table, push the arm outward to the appropriate position, and then lock up the top handle screw.

- ② Loosen the screws on both sides of the grooming arm counterclockwise. Insert the arm into the suspension arm separately, and keep the height on both sides consistent, and then lock up the handle screws on both sides.

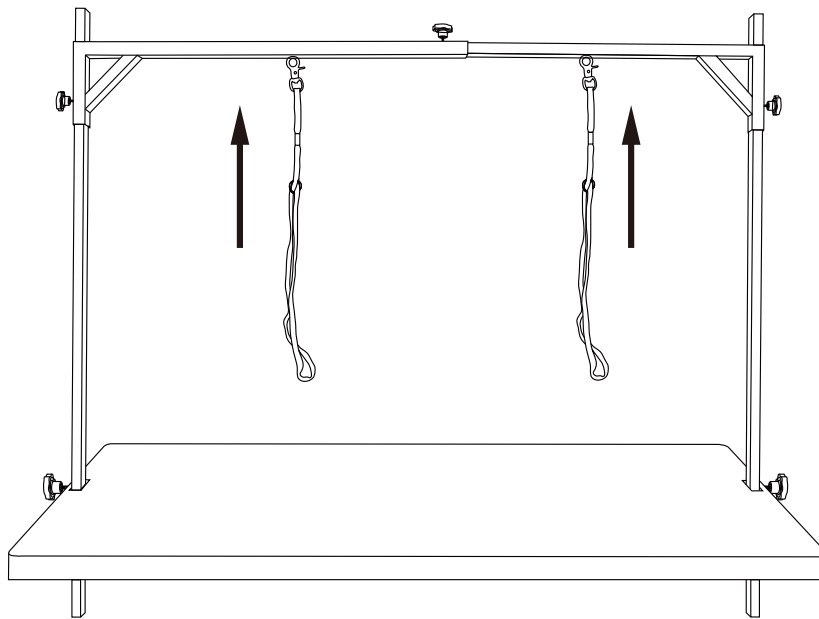

- ③ Use the over-head grooming arm set insert into the two side hole on the table, Leave a length of 4-6cm. Use M10*25 handle screws to fix the two side grooming arms.

Installation instructions

- ④ Snap-in Nylon Neck Harness, can be locked to the hole above the grooming arm, used to control the pets during the grooming process.

Adjustable Feet Installation Method As Follows:

Install the adjustable feet in the proper position of the base and lock them tightly
