

[illegible]

Technical drawing of the door assembly showing the door frame, hinges, and seal strip. The drawing includes labels for the door frame, stainless steel hinge, aluminum honeycomb, 0.8mm galvanized sheet, door frame 1.2mm galvanized plate, 50mm thick wall, seal strip, and dimensions (25, 50, 40, 1).

A diagram showing a door with a handle on the left side. The door is represented by a rectangle with a diagonal line indicating its swing. The handle is a green U-shaped icon. Two small cyan squares are positioned on either side of the door, representing the open and closed positions. The text "4. Outside left open" is written below the diagram.
