ABOUT US

Founded in 2001, our company is located in Jinjiang City, Fujian, China, famous as the footwear capital.

We are a professional manufacturer engaged in design, development, production and sales of all kinds of footwear.

We own standard production workshops, complete production lines and strict quality inspection system.

Our main products include casual shoes, sports shoes, outdoor shoes, daily walking shoes and other series.

We support OEM & ODM customized services, including logo printing, color matching, material selection and packaging customization.

We can provide fast sample making and stable bulk order delivery.

Adhering to the principle of Quality First, Customer Supreme, we have won long-term trust from customers all over the world.
