

SOLID SURFACE SHOWER WALLS

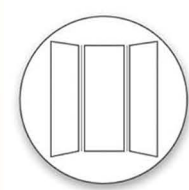

Guangdong Wiselink Ltd. was established in 2018 in Foshan, Guangdong, and has set up a factory in Qingyuan, Guangdong. Specializing in the production of solid surface sheets, bathroom products, and customized processing, making us a comprehensive manufacturing and trading enterprise. Our customized services ensure that our products meet customer requirements and have received unanimous praise from customers in terms of quality and price. We strive for excellence to provide outstanding products and quality services.

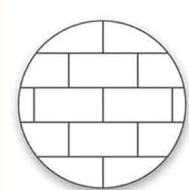

Product Features

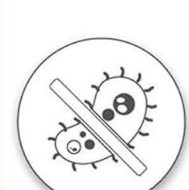

COMPLETE SHOWER KIT

Wall kits include:
3 wall panels, 2 color coordinated inside corner trim pieces, silicone adhesive and sealant.

STYLISH SUBWAY TILE WALLS

Wiselink has the beautiful, realistic look of tile without the maintenance of grout. Easy care 4"x8" subway tile pattern.

EXTREMELY SANITARY

Hygienic surface is non-porous, impervious to mold and mildew and resistant to odor and bacteria.

EASY TO CLEAN

Wiselink walls feature a smooth finish, making it easy to clean and maintain without harsh chemicals.

DURABLE MATERIAL

Wiselink thick 1/4" compression molded solid surface material has color all the way through for a renewable surface.

IDEAL FOR REMODEL AND NEW CONSTRUCTION

Easier to install than tile. Panels glue over existing tile or wallboard. Walls are trimmable for custom fit.

SCRATCH RESISTANT

Material is both scratch resistant and repairable. Minor scratches can be easily removed simply by slightly sanding the surface.

10 YEAR WARRANTY

Our **Wiselink** shower/tub walls are covered by a limited 10 year warranty.
